

WAIMH 2021: On-Demand Program

Title	First Name	Last Name	Country	Paper Title	Presenting Author Name/s	Presentation Type	Theme
Brief Oral Presentation							
Dr	Tina	Adkins	United States	Foster parents' adverse childhood experiences and their impact on foster children's emotional and behavioral difficulties	Dr Tina Adkins	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Ms	Stacey	Alexander	Australia	Improving the attachment security of children with disability or developmental delay	Ms Stacey Alexander	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Dr	Alicia	Alvarez-Garcia	Spain	Impact of Teaching Recovery Techniques and Clown Performance on Displaced Children's Symptomatology after War	Dr Alicia Alvarez-Garcia	Brief Oral Presentation	Problems, symptoms and disorders of the infant
Mrs	Elita	Amini Virmani	United States	Inquiry is the Intervention: Reflective Consultation with Early Childhood Educators	Mrs Elita Amini Virmani	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Dr	Varvara	Anikina	Russian Federation	An attitude to a child and psychological functioning of women pregnant with in vitro fertilization before and after child's birth	Dr Varvara Anikina	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Varvara	Anikina	Russian Federation	Parenting stress of foster mothers of early age children.	Dr Varvara Anikina	Brief Oral Presentation	Parenting and family process
Miss	Roseben	Anyanwu	Nigeria	Attachment among recent mothers in a tertiary centre in Southwest Nigeria; a qualitative review	Miss Roseben Anyanwu	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Dr	Gizem	Arikan	Turkey	How do maternal mentalization and emotional availability predict toddlers' attachment security in a low-SES Turkish sample?	Dr Gizem Arikan	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Ms	Valerie	Aylesbury	Australia	The Maternal Infant relationship still exists when infants are removed and placed in child protection systems; a reflection on care.	Ms Valerie Aylesbury	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Valerie	Aylesbury	Australia	Nunga (Aboriginal) Playgroup Elizabeth Vale South Australia: "Strong Aboriginal Cultural Communities and Relationships Creates Resilience in our Children"	Ms Joy Makepeace	Brief Oral Presentation	Early development, child health and mental health
Mr	Richard	Banda	Malawi	Prevalence and associated factors of caregiving burden among caregivers of individuals with severe mental illness at St John of God.	Mr Richard Banda	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Mrs	Jess	Barnes	Australia	A qualitative pilot study of in-patient experiences of the Circle of Security Parenting group at the Werribee Mother Baby Unit.	Mrs Jess Barnes	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Dr	Gloriana	Bartoli	New Zealand	When someone is there: a study on 'Mentalization' and 'Theory of Mind' in Blind Children. Reflections on early relationship development.	Dr Gloriana Bartoli	Brief Oral Presentation	Parent-infant interaction and early relationship development
Ms	Berengere	Beauquier-Maccotta	France	Coparenting within couples who conceived by Artificial Insemination with Sperm Donor (AID): What challenges for parenting and child disclosure?	Ms Ophelie Segade	Brief Oral Presentation	Parenting and family process
	S	Bernardi	Italy	A multidisciplinary approach to HIV Infection in a multiethnic pediatric population	S Bernardi	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Rosalie	Birkin	Australia	Collaborative Infant Mental Health Consultation	Ms Rosalie Birkin	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Ewa	Bodnar	Australia	Helping children thrive by building capacity of local service providers to support perinatal and infant mental health (PIMH)	Dr Ewa Bodnar	Brief Oral Presentation	Promotion and prevention in community context
Ms	Grace	Branjerdporn	Australia	Infant sensory patterns and developmental outcomes: Associations with maternal-fetal attachment, postnatal maternal sensory patterns and previous perinatal loss	Ms Grace Branjerdporn	Brief Oral Presentation	Early development, child health and mental health
Dr	Florence	Bristow	United Kingdom	Good practice guide for involving and supporting partners and families in specialist Perinatal Mental Health Services.	Dr Florence Bristow	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Ana-Teresa	Brito	Portugal	Brazelton Touchpoints training for early childhood and care providers – preventing and promoting infants healthy social and emotional development.	Dr Ana-Teresa Brito	Brief Oral Presentation	Promotion and prevention in community context
Professor	Joy	Browne	United States	Interprofessional training to address developmental needs of fragile newborns and young infants and their families after intensive care	Professor Joy Browne	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Professor	Anna	Buchheim	Austria	Relationship between maternal attachment representations and parenting focusing on representational and behavioral synchrony	Professor Anna Buchheim	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Ms	Adrienne	Buhagiar	Australia	Reflections of an early career clinician working with high-risk infants and families	Ms Skye Petrie	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Mrs	Tanya	Burr	Australia	From birth to three: Exploring educators' understandings of children's agency.	Ms Tanya Burr	Brief Oral Presentation	Caregiving contexts
Ms	Julia	Caldwell	Australia	The Compassionate Mums study: Shame and compassion in Australian mothers	Ms Julia Caldwell	Brief Oral Presentation	Antenatal and perinatal practices
	Nicole	Carbone	Italy	UNG Project Lilongwe Malawi	Nicole Carbone	Brief Oral Presentation	Advocacy and infant mental health policy
Mr	Georgius	Cardoso Esswein	Brazil	Reflections on growth and development of 0-2-year-old babies: an analysis of SUS documents	Mr Georgius Cardoso Esswein	Brief Oral Presentation	Early development, child health and mental health
Miss	Glynis	Chang	Australia	Educators' understanding their past, to enhance children's futures	Ms Glynis Chang & Ms Mary Morgan	Brief Oral Presentation	Caregiving contexts
	Krishna	Changrani		How Helpful is Kangaroo Mother Care of Premature Infants?	Krishna Changrani	Brief Oral Presentation	Prematurity and high-risk infants
Dr	Helen	Chen	Singapore	Healing the ghost in the nursery – helping mother keep baby in mind	Dr Helen Chen	Brief Oral Presentation	Parent-infant interaction and early relationship development
Mrs	Sara	Cibralic	Australia	A systematic review of emotion regulation in children with Autism Spectrum Disorder	Mrs Sara Cibralic	Brief Oral Presentation	Early development, child health and mental health
Mrs	Caroline	Clavel	Canada	Experiences and challenges faced by refugee mothers in their resettlement process in Quebec, Canada	Mrs Caroline Clavel	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Professor	Tanya	Connell	Australia	What are the Essential Referral Pathways for Perinatal Women?	Professor Tanya Connell	Brief Oral Presentation	Advocacy and infant mental health policy
Professor	Tanya	Connell	Australia	Pre and Postnatal Anxiety in Women Delivering in a Private Obstetric Hospital	Professor Tanya Connell	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Dr	Janice	Cooper	Liberia	From "Thinking Healthy" to "Caregiver Skills Training" and in-between: Leveraging WHO ("off the shelf") Interventions to Develop a System of Care for Young Children in Liberia	Dr Janice Cooper	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Dr	Janice	Cooper	Liberia	From "Thinking Healthy" to "Caregiver Skills Training" and in-between: Leveraging WHO ("off the shelf") Interventions to Develop a System of Care for Young Children in Liberia	Dr Janice Cooper	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Ms	Brenda	Cowley	South Africa	"I know that it's something that's creating a bond": Fathers participating in Baby Theatre with their Infants in South Africa	Ms Brenda Cowley	Brief Oral Presentation	Parent-infant interaction and early relationship development
Mr	Joe	Coyne	Australia	Getting personal: The shift from group to individual intervention for the COS Intensive protocol.	Mr Joe Coyne	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Dr	Joanne	Crandall	Canada	Heartbreak Kids: Rewriting the Story of Developmental Adversity Through Advocacy	Dr Joanne Crandall	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Joanne	Crandall	Canada	The Cost of Caring: The Impact of Vicarious Trauma in the Workplace	Dr Joanne Crandall	Brief Oral Presentation	Caregiving contexts
Dr	Kellie	Cullen	Australia	Group Oriented Interpersonal Therapy for Women Experiencing Postnatal Mood Disorders and their Infants	Dr Kellie Cullen & Ms Ruth Gregory	Brief Oral Presentation	Antenatal and perinatal practices
Ms	Wendy	Daniel	Australia	Designing an Outcome-Based Practice Framework: themes for a child protection and early intervention program	Ms Wendy Daniel	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Miss	Akeshia	Dart	Australia	Strengthening Women: Effectiveness of ArtsHealth to improve the SEWB of mother/careers of Indigenous children from birth to school age.	Miss Akeshia Dart	Brief Oral Presentation	Promotion and prevention in community context
Ms	Nicola	Dawson	South Africa	What watching others watching can tell us: Using video vignettes to prompt narrative in cross-cultural infant mental health research.	Ms Nicola Dawson	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Dr	Alexandra	De Young	Australia	Preventive intervention for trauma reactions in young injured children: Results of a multi-site randomised controlled trial	Dr Alexandra De Young	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
	F Cimagallic	Di Pietro	Italy	Social Support and Integration of Unaccompanied Immigrant Minors in Italy: the Case Study of Roma Capitale.	F Cimagalli C Di Pietro	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Lyn	Doherty	New Zealand	Kia manawarao: Building resilient whānau. Supporting parents whose children are in the permanent care of others	Ms Lyn Doherty	Brief Oral Presentation	Parenting and family process
Dr	Daphna	Dollberg	Israel	Infant social withdrawal and high risk pregnancy	Dr Daphna Dollberg	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Daphna	Dollberg	Israel	Continuity and discontinuity in infant psychopathology	Dr Daphna Dollberg	Brief Oral Presentation	Early development, child health and mental health
Ms	Karen	Donnet-jones	Australia	Fitzroy valley first 1000 days working group - Adapting services to improve the outcomes for aboriginal infants and their parents	Ms Karen Donnet-jones	Brief Oral Presentation	Promotion and prevention in community context
Dr	Pamela	Douglas	Australia	Pre-emptive Intervention for Autism Spectrum Disorder: Theoretical Foundations and Clinical Translation	Dr Pamela Douglas	Brief Oral Presentation	Early development, child health and mental health
Dr	Natalie	Duffy	Australia	Understanding the Early Lived Experiences of Infants Admitted to the Neonatal Intensive Care Unit	Dr Natalie Duffy	Brief Oral Presentation	Prematurity and high-risk infants
Ms	Kym	Dunstan	Australia	Healthy kids: Bringing early childhood communities together to improve the health and wellbeing of Queensland kids	Ms Kym Dunstan	Brief Oral Presentation	Promotion and prevention in community context
Ms	Vasiliki	Eirinaki	United Kingdom	Postnatal depression and maternal singing: a video-based analysis in the context of a Mother-Baby Unit	Ms Vasiliki Eirinaki	Brief Oral Presentation	Parent-infant interaction and early relationship development
Miss	Jennifer	Ekuma	Nigeria	Depression and its disruptive effects on the infants mental health in Nigeria	Miss Jennifer Ekuma	Brief Oral Presentation	Parent-infant interaction and early relationship development
Ms	Lisa	Findlay	Australia	Helping parents to parent in the acute care environment: improving role confidence and autonomy.	Ms Lisa Findlay	Brief Oral Presentation	Parenting and family process
Mrs	Marthe	Finstadvseen	Norway	Implementing best practice in Norwegian residential parenting centres	Mrs Marthe Finstadveen	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Mrs	Marthe	Finstadvseen	Norway	The quest to develop and design equal services for assessment of and interventions for high-risk families with children aged 0-6.	Mrs Marthe Finstadveen	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Dr	Angela	Fisher-Solomon	United States	Preliminary results on the FIOT: A new screening tool to measure infant confidence levels from dominant and bicultural groups	Dr Angela Fisher-Solomon	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Dr	Bodo	Frank	Germany	Early signs of developmental disorders (autism) – capturing and analyzing of motor patterns in Intersubjective Communication in OVC-Institution	Dr Bodo Frank	Brief Oral Presentation	Early development, child health and mental health
Ms	Lucy	Frankham	Australia	Birth-related PTSD symptoms and the mother-infant relationship: A meta-analytic study	Ms Lucy Frankham	Brief Oral Presentation	Parent-infant interaction and early relationship development
Professor	Marina	Fuertes	Portugal	Crying for an antibiotic: maternal sensitivity and mother-infant attachment are associated with antibiotic uptake in infancy	Professor Marina Fuertes & Assistant Professor Francisco Dionisio	Brief Oral Presentation	Early development, child health and mental health
Professor	Marina	Fuertes	Portugal	A self-comfort oriented pattern of regulatory behavior and avoidant attachment are more likely among infants born moderate-to-late preterm	Professor Marina Fuertes	Brief Oral Presentation	Prematurity and high-risk infants
Ms	Monya	Gangemi	Australia	Paternal Depression and Gambling Harm: including, supporting fathers and optimal early relationship development	Ms Monya Gangemi	Brief Oral Presentation	Early development, child health and mental health
Miss	Julia	Garon-Bissonnette	Canada	Accumulation of risk indicators in pregnant women with histories of developmental trauma and psychiatric disorders: Implications for infant mental health	Miss Julia Garon-Bissonnette	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Dan	Garrick	Australia	Recovering the Traumatized Infant through Child - Parent Psychotherapy: Regeneration by working within the constraints of Autism	Dr Dan Garrick	Brief Oral Presentation	Observation and assessment: diagnosis, treatment and clinical issues
	Simonetta	gentile	Italy	The migrant Child with Physical/Chronic Pathology and His Mental Health	S Gentile	Brief Oral Presentation	Advocacy and infant mental health policy
Dr	Felipe	Godoy	Chile	Disciplinary practices and child behavioral problems: How important is social context?	Mr Felipe Godoy	Brief Oral Presentation	Caregiving contexts
Dr	Winnie Hs	Goh	Singapore	Evaluation on an integrated health and social service approach to optimize early childhood development for low income families	Dr Winnie Hs Goh	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Mrs	Jessica	Gordon	United States	Is Neonatal Nursing at the Forefront of Infant Mental Health?	Mrs Jessica Gordon	Brief Oral Presentation	Prematurity and high-risk infants
Ms	Mary	Gregory	Australia	A Randomised Control Trial of an Attachment Based Online Parenting Program	Ms Mary Gregory	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Mrs	Karen	Griffin	Australia	Practitioners' perspectives on expansion of perinatal and infant mental health outreach services in Australia via telehealth	Mrs Karen Griffin	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation

Dr	Hongyan	Guan	China	Reliability and Validity of the Parent-Child Interaction Feeding Scale in China	Dr Hongyan Guan	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Keren	Hanetz Gamliel	Israel	Mothers' anxiety and parenting as mediators of the associations between COVID-19 and children's behavior problems	Dr Keren Hanetz Gamliel	Brief Oral Presentation	Parenting and family process
Dr	Keren	Hanetz Gamliel	Israel	Mediation-moderation links between mothers' anxiety and mentalization and children's problems before and during COVID-19	Dr Keren Hanetz Gamliel	Brief Oral Presentation	Parenting and family process
Dr	Joyce	Harrison	United States	Training and supporting rural paediatricians in the identification and care of families affected by trauma	Dr Joyce Harrison	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Dr	Denise	Hatzis	Australia	Factors impacting maternal trauma on child development: A serial mediation study of borderline personality features, environmental risk and caregiving quality.	Dr Denise Hatzis	Brief Oral Presentation	Parent-infant interaction and early relationship development
Ms	Cassandra	Hendrix	United States	Maternal Childhood Trauma Exposure has Transgenerational Effects on Neonatal Neural Connectivity	Ms Cassandra Hendrix	Brief Oral Presentation	Early development, child health and mental health
Mr	Brandon	Hey	Canada	Creating new stories about infant and early years mental health: Lessons learned in supporting a Pan-Canadian agenda	Mr Brandon Hey & Mr Ed Mantler	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Christine	Hodges	Australia	The Case that Remains with You	Ms Christine Hodges	Brief Oral Presentation	Problems, symptoms and disorders of the infant
Mrs	Sally	Hogg	United Kingdom	Rare Jewels: Parent-Infant Foundation's advocacy for specialised parent-infant relationship teams in the UK and support for new and developing teams.	Mrs Sally Hogg	Brief Oral Presentation	Advocacy and infant mental health policy
Mrs	Sally	Hogg	United Kingdom	The 1001 Days Movement: campaigning for policy change in the UK	Mrs Sally Hogg	Brief Oral Presentation	Advocacy and infant mental health policy
Dr	Neal	Horen	United States	Addressing the Social Emotional Needs of the youngest Syrian refugees	Dr Neal Horen	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Mrs	Naomi	Hull	Australia	Providing breastfeeding support during the COVID-19 pandemic: Concerns of mothers who contacted the Australian Breastfeeding Association	Mrs Naomi Hull	Brief Oral Presentation	Antenatal and perinatal practices
Ms	Jessica	Hutchinson	United States	Mental Health: Children Diagnosed with Critical Congenital Heart Disease	Ms Jessica Hutchinson & Dr Wendy Middlemiss	Brief Oral Presentation	Early development, child health and mental health
Professor	Delyse	Hutchinson	Australia	The association of maternal antenatal and postpartum depression and anxiety with child development from infancy through adolescence: A meta-analysis	Associate Professor Delyse Hutchinson	Brief Oral Presentation	Early development, child health and mental health
Dr	Omneya	Ibrahim	Egypt	Relation between maternal depression and anxiety and infant social withdrawal signs	Dr Omneya Ibrahim	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Delphine	Jacobs	Belgium	Autism spectrum disorder diagnosis in young children: views and experiences of parents and clinicians.	Dr Delphine Jacobs	Brief Oral Presentation	Early development, child health and mental health
Ms	Constance	Jaramillo	United States	Empathy in Young Children: Associations with Children's Attachment Security and Maternal Protective and Risk Factors	Ms Constance Jaramillo	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Dr	Maude	Johansson	Sweden	Depressive symptoms and parental stress in mothers and fathers 30 months after childbirth	Dr Maude Johansson	Brief Oral Presentation	Parenting and family process
Ms	Andi	Jones	Australia	Integrating Peer Support Workers in Early Parenting Centres	Mr Andi Jones	Brief Oral Presentation	Caregiving contexts
Ms	Samantha	Jones	Australia	The effectiveness of trained homevisiting volunteers within an Infant Mental Health service	Ms Samantha Jones & Samantha Jones	Brief Oral Presentation	Promotion and prevention in community context
Dr	Barbara	Kalkkreuth	Germany	Postnatal depression-the hidden and untold story behind. From crisis to recovery and development	Dr Barbara Kalkkreuth	Brief Oral Presentation	Parenting and family process
Dr	Harvey	Karp	United States	Calming Reflex: A Novel Paradigm To Explain Colic, Boost Parent Skill, and Reduce Postpartum Depression, Child Abuse and SIDS	Dr Harvey Karp	Brief Oral Presentation	Early development, child health and mental health
Mr	Nicholas	Kasovac	United States	Maternal-infant mental health in the context of occupations	Mr. Nicholas Kasovac	Brief Oral Presentation	Parent-infant interaction and early relationship development
Mr	Nicholas	Kasovac	United States	"Hey dad – how are you doing?" New fathers are at risk for perinatal mood and anxiety disorders	Mr Nicholas Kasovac	Brief Oral Presentation	Parenting and family process
Mrs	Sharleen	Keleher	Australia	Disaster resilience in early childhood education	Mrs Sharleen Keleher	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Ms	Robyn	Kemble	Australia	Exploration into relationship-based practices of child protection practitioners within the child protection system; attuning to the infant in out-of-home care.	Ms Robyn Kemble	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
	A	Ketchaji	Italy	Cameron study. Immigration, Policies and Chronic Pathology in Infant Mental Health	A Ketchaji	Brief Oral Presentation	Advocacy and infant mental health policy
Ms	Naomi	Kikkawa	Australia	Developing the Perinatal and Infant Mental Health Continuum in Queensland via Telehealth	Ms Naomi Kikkawa	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Ms	Julie	King	Australia	Changing the narrative: traumatized infants can recover during infancy- integrating EMDR into Infant Mental Health Practice	Ms Julie King	Brief Oral Presentation	Problems, symptoms and disorders of the infant
	Kristine	Kira		Promoting positive health outcomes in Maori and Pacific Islander mothers and infants living in Queensland Australia	Mrs Kirstine Kirra	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Ms	Lynda	Knight	Australia	When illness, death and dying become Ghosts in the Nursery	Ms Lynda Knight	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Mrs	Chiyo	Kuwata	Japan	Contents of specialized basic education necessary for the promotion of health activities in childcare facilities	Mrs Chiyo Kuwata	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Mrs	Angeliki	Kyverioti	Greece	Finding the truth together: the power of play in the stories of addicted mothers with their infants and young children	Mrs Angeliki Kyverioti	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Dr	Catherine	Labrenz	United States	Pandemic parenting: Stress and resilience among caregivers of children 0-5 during the COVID-19 pandemic	Dr Catherine Labrenz	Brief Oral Presentation	Parenting and family process
Dr	Anusha	Lachman	South Africa	Shared Pleasure interactions in a high risk South African population of mothers and infants: searching for resilience	Dr Anusha Lachman	Brief Oral Presentation	Caregiving contexts
Dr	Inger Pauline	Landsem	Norway	Temperament in childhood among very preterm-born children; associations with participation in an early intervention, follow-up of an RCT	Dr Inger Pauline Landsem	Brief Oral Presentation	Prematurity and high-risk infants
Ms	Alana	Laundy	Australia	Integration in Action – How working collaboratively in the perinatal period leads to better outcomes for parents and infants.	Ms Alana Laundy	Brief Oral Presentation	Promotion and prevention in community context
Mrs	Clare	Law	United Kingdom	Barriers and challenges to providing trauma informed care in maternity and perinatal mental health services	Mrs Clare Law	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Jamie	Lawler	United States	Parental adverse childhood experiences, parental executive functioning, and child emotion regulation	Dr Jamie Lawler	Brief Oral Presentation	Early development, child health and mental health
Ms	Susanna	Lawrence	Australia	The COSP program through a lens of Autism Spectrum Disorder and trauma: two in-depth case studies from a recent group.	Ms Susanna Lawrence	Brief Oral Presentation	Attachment: research, security of attachment and disorders of attachment
Dr	Catherine	Lazaroo	Australia	I found my tribe - a mother and infant case study	Dr Catherine Lazaroo	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Catherine	Lazaroo	Australia	Estuaries and Swamps - a creative case study	Dr Catherine Lazaroo	Brief Oral Presentation	Parenting and family process
Dr	Piret	Leonetti	United States	Supporting ongoing parent – infant interaction and overall early relationship development during COVID 19 pandemic in home visiting program when utilizing multi- disciplinary services approach.	Dr Piret Leonetti	Brief Oral Presentation	Parent-infant interaction and early relationship development
Mrs	Jane	Leung	Australia	Embedding drug and alcohol screening – training, teaching and supervision	Mrs Jane Leung	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
	Raylene	Lewis	Italy	Implementing IMH principles and strategies in a CAMHS Acute Service with Infants and families of CALD and Refugee Background.	Raylene Lewis	Brief Oral Presentation	Advocacy and infant mental health policy
	Hui	Li	China	Investigation of current situation and public demands for promoting infant care services under three in Shaan Xi, China	Professor Hui Li	Brief Oral Presentation	Advocacy and infant mental health policy
	Hui	Li	China	Gender-dependent effects of NICU environment on social interactive behavior in preterm infants: evidence from China	Professor Hui Li	Brief Oral Presentation	Prematurity and high-risk infants
Mrs	Monica	Lidbeck	Sweden	Coparenting quality and work-family balance in the context of parental leave	Mrs Monica Lidbeck	Brief Oral Presentation	Parenting and family process
Mr	Jallu	Lindblom	Finland	Trajectories of parental mentalization from pregnancy to early childhood: Predictors and developmental consequences. FinnBrain Birth Cohort Study	Mr Jallu Lindblom	Brief Oral Presentation	Parent-infant interaction and early relationship development
Ms	Deborah	Losada	United States	The power of relationships: Maternal reflections on traumatic birth, breastfeeding, and parenting	Ms Deborah Losada	Brief Oral Presentation	Antenatal and perinatal practices
Dr	Ulrike	Lux	Germany	Stability of psychosocial adversities in families with young children – results from the German study series KiD 0-3	Dr Ulrike Lux	Brief Oral Presentation	Early development, child health and mental health
Dr	Elmarie	Malek	South Africa	Advocacy and implementation – stories of collaboration and commitment supporting 1st 1000 Days at-risk caregiver-infant relationships, Western Cape, South Africa.	Dr Elmarie Malek	Brief Oral Presentation	Advocacy and infant mental health policy
Dr	Elmarie	Malek	South Africa	Strengthening responsive care in the health system - the 1st 1000 Days blanket symbol story - Western Cape, South Africa.	Dr Elmarie Malek	Brief Oral Presentation	Parent-infant interaction and early relationship development
Professor	Prahbjot	Malhi	India	Getting an early diagnosis of autism spectrum disorder in India: Experiences of parents	Professor Prahbjot Malhi	Brief Oral Presentation	Promotion and prevention in community context
Dr	Robert	Margolies	United States	Educating future parents and teachers about infant mental health	Dr Robert Margolies & Dr Natalie Starling	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Professor	Hugh	Masters	United Kingdom	From policy to action: the Scottish experience of perinatal and infant mental health	Professor Hugh Masters	Brief Oral Presentation	Advocacy and infant mental health policy
Miss	Janna	Matthess	Germany	Parent-Infant-Psychotherapy with high-risk mothers in shared living arrangements and facilities	Miss Janna Matthess & Miss Melanie Eckert	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Ms	Angela Lisa	McLaughlin	United Kingdom	Catching Butterflies: Examining the impact of multiple adversities on neurodevelopment and attachment from conception to infancy.	Ms Angela Lisa McLaughlin	Brief Oral Presentation	Prematurity and high-risk infants
Ms	Grace	McMahon	Australia	Trajectories of early depressive and anxiety symptoms in fathers of very preterm infants and associations with parenting behaviour.	Ms Grace McMahon	Brief Oral Presentation	Prematurity and high-risk infants
Mrs	Coralie	Mercerat	Canada	Life story methods in psychology : a better understanding of the experiences of parents with physical disabilities	Mrs Coralie Mercerat & Mrs Nadège Aymon	Brief Oral Presentation	Parenting and family process
Dr	Nicole	Milburn	Australia	An infant – parent relationship approach to understanding assessment and intervention for injured or shaken babies	Dr Nicole Milburn	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Mrs	Louise	Miles	Australia	Exploring the voice of Registered Music Therapists in Infant Mental Health Service Provision.	Mrs Louise Miles	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Miss	Robert	Mills	Australia	Informing and validating a user-friendly assessment for a digital program to improve sleep outcomes for infants and their parents	A/Prof Robert Mills & Ms Melissa Webster	Brief Oral Presentation	Caregiving contexts
Ms	Andrea	Mira	Chile	Fathers' experiences in a neonatal intensive care unit in Santiago, Chile.	Ms Andrea Mira	Brief Oral Presentation	Prematurity and high-risk infants
Mrs	Kim	Mitchell	Australia	The innate wisdom of Yarrabah women informing and transforming their pregnancy care and outcomes	Kim Mitchell	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Camilla	Modesti	Italy	Culturally sensitive PTSD screening in non-Western youth: an intervention program in Central African Republic	Dr Camilla Modesti	Brief Oral Presentation	Observation and assessment: diagnosis, treatment and clinical issues
Mr	Ahmed Riaz	Mohamed	South Africa	The implementation of the Attachment and Biobehavioral Catch-up intervention for infants and young children with developmental delays in South Africa	Mr Ahmed Riaz Mohamed	Brief Oral Presentation	Evaluation and outcomes: scientific studies and early interventions
Mrs	Jacinta	Molloy	Australia	Maintaining relationships and care during COVID: Uploading videos into the homes and hearts of Aboriginal families across regional Victoria.	Mrs Jacinta Molloy	Brief Oral Presentation	Early development, child health and mental health
Miss	Amanda	Moon	United States	Exploring the Impact of Program Incentives on the Mental Health and Development of Infants, Young Children, Parents, and Communities	Miss Amanda Moon	Brief Oral Presentation	Cross cultural studies - Global strategies for infants, families and communities
Mrs	Daniela	Moreno Boudon	Italy	"Even just to talk about it": improving visibility of children aged 0-3 and enabling participation of vulnerable families through assessment innovation in social care.	Mrs Daniela Moreno Boudon & Mrs Sara Serbati	Brief Oral Presentation	Promotion and prevention in community context
Ms	Jordan R.	Murphy	United States	Behavioral Epigenetics: Mother-Infant Interactive Behaviors and the Oxytocinergic System	Ms Jordan R. Murphy	Brief Oral Presentation	Parent-infant interaction and early relationship development

Dr	Karen	Myors	Australia	Beyond SafeStart – Maternal, Child and Family Health Support for Women with Complex Needs	Dr Karen Myors	Brief Oral Presentation	<b>Antenatal and perinatal practices</b>
Dr	Marigen	Narea	Chile	Depression, Parental Stress and Infant Development in Chile	Dr Marigen Narea	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Anita	Nepean-Hutchison	Australia	Building the capacity of the early childhood workforce to support children's social and emotional wellbeing	Dr Anita Nepean-Hutchison	Brief Oral Presentation	Early development, child health and mental health
Miss	Lalitha	Newman	Australia	A Systematic Review of Music Interventions to Support Parent-Infant Attachment	Miss Lalitha Newman	Brief Oral Presentation	<b>Attachment: research, security of attachment and disorders of attachment</b>
Dr	Naoko	Nishimura	Japan	Evaluation of parents-infant interaction, development, parent's stress in children with achondroplasia : focusing on two parent-child pairs	Dr Naoko Nishimura	Brief Oral Presentation	Early development, child health and mental health
Mrs	Leena	Normia-ahlsten	Finland	Family centre service model -right support at the right time	Mrs Leena Normia-ahlsten	Brief Oral Presentation	Promotion and prevention in community context
Ms	Jannie	Olsen	Australia	Art psychotherapy with mothers experiencing the impact of Mental Health on mother-child relationship. Using Art in finding us	Ms Jannie Olsen	Brief Oral Presentation	Parent-infant interaction and early relationship development
Mrs	Julia	Oreopoulos	Australia	Improving early parent-child interactions through group music therapy programs	Mrs Julia Oreopoulos	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Patricia	O'Rourke	Australia	The Maternal Looking Guide: Implementation of a clinical tool to intervene in the first days of the mother-infant relationship	Dr Patricia O'Rourke	Brief Oral Presentation	Infant mental health services, training, teaching, supervision and consultation
Ms	Shameera	Osman	Australia	Navigating the waters of uncertainty – the role of an inpatient antenatal occupational therapist	Ms Shameera Osman	Brief Oral Presentation	<b>Antenatal and perinatal practices</b>
Dr	Samuel	Ouma	Uganda	Becoming a mother and returning to school: Experiences of Ugandan teenage mothers.	Dr Samuel Ouma	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Dr	Cintia	Padoin	Canada	No such thing as a baby: Integrating mental health care for parents and their infants/children.	Dr Cintia Padoin	Brief Oral Presentation	Problems with parenting and high risk families (e.g. adolescent parenting, parental substance abuse, family violence and child abuse)
Miss	Ambra	Palazzi	Brazil	Music therapy improves maternal mental health in a Brazilian NICU	Miss Ambra Palazzi	Brief Oral Presentation	Prematurity and high-risk infants
Dr	Jyotishman	Pathak	United States	Development and Validation of a Postpartum Depression Risk Prediction Model Using Machine Learning	Dr Jyotishman Pathak	Brief Oral Presentation	<b>Observation and assessment: diagnosis, treatment and clinical issues</b>
Dr	Jean	Paul	Austria	Parental sensitivity and mentalizing capacity in Dyads with parents with a mental illness: Understanding the infant's voice	Dr Jean Paul	Brief Oral Presentation	Parent-infant interaction and early relationship development
Dr	Francisca	Pérez Cortés	Chile	Coparenting in the South: challenges for Chilean couples	Dr Francisca Pérez Cortés	Brief Oral Presentation	Parenting and family process
	Carla	Pérez Martínez	Mexico	Infant social withdrawal (ADBB) in infants subjected to psychological and/or physical stressors with special attention to congenital heart disease	Carla Pérez Martínez	Brief Oral Presentation	<b>Problems, symptoms and disorders of the infant</b>
Professor	Ines Cristina	Pinto	Portugal	Attachment, maternal mental state and neuroendocrine biomarkers in obese children	Professor Ines Cristina Pinto	Brief Oral Presentation	<b>Attachment: research, security of attachment and disorders of attachment</b>
Dr	Tiago Miguel	Pinto	Portugal	Maternal prenatal depression symptoms effects on infant self-regulation at 3 months of life are moderated by coparenting	Dr Tiago Miguel Pinto	Brief Oral Presentation	Early development, child health and mental health
Dr	Tiago Miguel	Pinto	Portugal	Increased postpartum depression symptoms and negative couple interactions in mothers and fathers during COVID-19 pandemic: a longitudinal study	Dr Tiago Miguel Pinto	Brief Oral Presentation	Parenting and family process
